

COMMUNICATIONS TEAM

Help us make meaningful connections!

Positive social change rests upon the quality of conversations we have with the people we choose to engage.

It is the mission of the Communications Team to provide social marketing and creative support for the programs of Ashoka Philippines.

The team's main activities include: (1) conceptualization and execution of campaign materials for events and programs; (2) creation and curation of content about Ashoka and Ashoka Fellows; and (3) the management of website, newsletter, and social media assets.

Join the Communications Team and help us tell our story with clarity of purpose.
